**SENIOR PROJECT COORDINATOR | SPATIAL DATA SPECIALIST** *10+ Years of Experience in Geospatial Project Coordination & Operational Excellence*

---

**PROFESSIONAL SUMMARY**

Results-driven Project Coordinator and Senior Spatial Data Specialist with a 10-year track record of delivering large-scale geospatial initiatives across APAC and EMEA. Specialist in Lean-driven process improvement, having led A3 projects that delivered over €238,000 in operational savings. Expert in vendor management, on-site stakeholder training, and coordinating cross-functional teams to maintain 99%+ quality assurance rates.

---

**CORE COMPETENCIES**

- **Project Management:** Lifecycle Coordination, Resource Allocation, Risk Mitigation, Agile/Scrum.
  - **Operational Excellence:** Lean Methodology (A3 Application), Root Cause Analysis (RCA), Process Optimization.
  - **Vendor Management:** On-site Training & Audits, Performance Metrics, Contract Compliance.
  - **Technical Tools:** GIS (ArcMap, HERE Atlas), JIRA, Confluence, Clarity PPM, Advanced MS Excel.
- 

**PROFESSIONAL EXPERIENCE**

**HERE SOLUTIONS INDIA PVT LTD, Airoli | Senior Spatial Data Specialist (Project Coordination Role) | April 2021 – Present**

- **Financial Impact:** Directed two major Lean A3 initiatives to eliminate non-value-adding tasks; reduced 47,652 labor hours and achieved €238,260 in total cost savings.
- **Vendor Strategy:** Spearheaded on-site vendor training and process audits in Hyderabad, directly improving delivery metrics and aligning partner performance with global quality standards.
- **Operations Coordination:** Manage the end-to-end execution of quarterly projects across APAC and EMEA, optimizing resource allocation and reducing waste by 15%.
- **Quality & Compliance:** Consistently maintain a 99%+ quality assurance rate; lead RCA and Preventive Corrective Actions (PCA) for Customer Concern Reports, reducing complaints by 20%.
- **Governance:** Manage project readiness trackers and contract timelines to ensure seamless workflow transitions between internal teams and global vendors.

**GIS Analyst II / Spatial Data Specialist II | April 2018 – March 2021**

- **Workflow Optimization:** Improved project delivery timelines by 20% through systemic bottleneck identification and streamlined data-coding workflows.
- **Risk Planning:** Proactively identified project dependencies and risks during the planning phase, ensuring zero-delay execution for global geospatial initiatives.
- **Quality Control:** Maintained elite data integrity standards while contributing to cross-team problem-solving workshops and process audits.

---

#### **GIS Analyst I / Spatial Data Specialist I | *October 2015 – March 2018***

- **Efficiency Gains:** Increased localized project efficiency by 25% by resolving persistent technical issues and introducing new GIS toolsets.
- **Knowledge Transfer:** Acted as a Subject Matter Expert (SME), mentoring junior analysts and facilitating sessions to boost overall team technical proficiency.

---

#### **TECHNICAL SKILLS**

- **Project Tools:** JIRA, Confluence, Clarity PPM, SharePoint, MS Office Suite.
- **GIS Tools:** ArcMap, ArcGIS, HERE Atlas, HERE Map Creator.
- **Methodologies:** Lean (A3, RCA, PCA), Agile, Scrum, Train the Trainer.

---

#### **CERTIFICATIONS**

- **Lean Six Sigma White Belt** – HERE Technologies
- **Career Essentials in Generative AI** – Microsoft & LinkedIn (2025)
- **Agile Scrum Foundation** – SimpliLearn (2022)
- **Project Management Essentials** – Management and Strategy Institute (2021)
- **Train the Trainer** – HERE Technologies (2017)

---

#### **AWARDS & RECOGNITIONS**

- **Pioneer Award (2025)** – For innovation in geospatial workflows.
- **Operational Excellence (2023, 2021)** – For consistent high-impact delivery.
- **Golden Impulse (2019)**
- **Rising Star (2017)**

---

#### **EDUCATION**

- **Bachelor of Science (Physics)** – University of Mumbai
